FIND YOUR PLACE

We are so glad you chose to be at Destiny today - it is our hope that as you come into this place you will be able to quickly feel and engage with Gods presence. There is something special that happens each time we choose to make space for God - he comes into our midst, meets with us, embraces us, intercedes for us, and inhabits our praises. It is a glimpse of our future in heaven when we will one day be in His presence worshipping Him face to face.

Where do you feel you belong? Family matters here at Destiny. We are all part of the family of God, but also part of a local family church. Its nice when we have a good natural family, people around us that care for us, support us and encourage us. But its also very important to have a spiritual family around us. We need to focus on building support around us physically and spiritually. We are not part of a church as an employee that has to, but we're part of a church by our choice and Gods plan and purpose. Make sure you spend time to focus on your spiritual family to develop great links and support networks. Make sure your being useful to grow your family. Make sure to find your place and to belong to God, and His family. He loves you and so do we.
