

MAKE A DIFFERENCE...

Eleven people from Destiny Church Wakefield will travel to Malawi for two weeks in August 2019. The purpose for the trip is to support a Project which we have been progressing over the past few years - alongside Malawians that we have known for more than 20 years.

Help us make a difference to these and hundreds of other beautiful children

The Team of volunteers pay their own airfare and accommodation etc for this Mission. They also commit to help raise funds to progress the Projects that they will be working on

in Malawi. They will have an awesome experience and do something good at the same time.

WHY MALAWI?

Malawi is recorded as one of the poorest countries in Africa where Malaria, the effects of HIV and the need for basic necessities are overwhelming. For over twenty years Destiny Church Wakefield has helped by organising Mission Trips from the UK and raising funds to make a difference to the lives of hundreds of children and families through trusted relationships that Destiny has developed over years.

1. THE DESTINY CENTRE AND LUNCH-BOX

The main Project for the 2019 Team is to help with the final stages of the construction of The Destiny Centre, a simple, multi-function community building in a Malawian village.

By working with trusted Church connections, this building is now home to 'Destiny Lunch-Box' and 'Children's Centre' and a 'Community School' - a programme to provide nutritious food and basic free education several days a week for about 150 deprived children from the village where there is no local school. It's an exciting project!

Several previous Teams from Destiny began the building process back in 2013 by laying the concrete foundations. Local Malawians

The Destiny Centre we helped build. Standing on the septic tank we dug!

alongside other Mission Teams from the UK progressed the building with walls, roof, doors and electrics. This building will have a lasting legacy for many years and will be

Destiny Lunch Box feeds hundreds of poor children - and provides some basic education

place of hope and encouragement to hundreds of children in the village of Mpanga, near Limbe, Malawi.

The projects this Team will work on include:

- 'Rendering/plastering' the outer walls to protect the building and preserve it for the future.
- Complete drilling a 'bore hole' to provide fresh drinking water (there is no well in this village) so essential for health.
- Installing basic plumbing for toilets etc.

Giving hundreds of new shoes to village children - just one way we make a difference

- Working with the Community School; the Destiny Lunch-Box; and our Connected Churches.

2. DESTINY ORPHANAGE

Our other main project in Malawi is 'The Destiny Orphanage' which previous Mission Teams from Wakefield helped build in Blantyre. 20 children are now cared for here - it's a joy to see them enjoying the care, hope and health this home has brought to their lives.

SUPPORT A WORTHY PROJECT

The 2019 Mission to Malawi and the Projects that are being progressed are something worth giving your time, energy and money to support - each Team member is doing just that.

YOU CAN MAKE A DIFFERENCE

MISSION TEAM 2019

MALAWI

- Will you give generously and help make a difference for these and hundreds of other children?

We don't need huge sums to make a difference in Africa. A gift of £100 or more goes a long way!

We need to raise at least £15,000 for this next phase of the Destiny Lunch-Box and Children's Centre building work - and then we want to support the ongoing work of providing food and education for the children in the months and years to come.

Help us make a difference to these and hundreds of other beautiful children

As you give to this Project you will be making a difference for these poor children in Malawi.
