

ON A JOURNEY

- 1 A star appeared in the eastern skies,
It looked much bigger than the usual kind,
Brighter than the rest.
A star appeared in the eastern skies,
It led directly to the newborn child,
Born in Bethlehem.

Group 1

CHORUS *Miles and miles we've travelled far and wide,*

Group 2 (Wise Men)

On a journey, we're on a journey,

Group 1

Following the star to find the King.

Miles and miles we've travelled through the night,

Group 2 (Wise Men)

On a journey, we're on a journey,

Group 1

Wise men on our way to worship Him.

- 2 A star appeared in the eastern skies,
You'd think it would've been a big surprise,
Not to these wise men!
A star appeared in the eastern skies,
To greet the Saviour who was prophesied,
Born in Bethlehem.
